#### 课件中——修饰名词 给了几种方法?

1. 形容词

2. 介词短语

3. 分词短语

4. 定语从句

英文与汉语修饰名词 最大的不同: 定语的位置

英文形容词: 普通形容词; 分词形容词 【一篇议论文中至少用出 1-2 个】

dying language: 正在消失的语言 【-ing: 主动; 正在】

a worrying trend: 令人担心的趋势【议论文介绍段背景句, .....是一个令人担心的趋势】

fattening food: 令人发胖的食物 (少用 junk food); a sparking job prospect: 一个闪闪发光的工作前景

复合分词形容词:可以用来简化定语从句,

练习: 节省时间的设备 (devices) devices that/which (can) save time = time-saving devices 【一样

的,只是分词形容词增加了多样性,考官不会因为一个词而加分,但是会因为你的表达多样化而加分;】

low abiding citizen 守法公民; abide (v.) by.... sth

改错练习:

1. Grandparents take care of children may be spoiled.

翻译:祖父母照顾的孩子也许会被宠坏

改正: Children taken care of by grandparents may be spoiled. — 要想逻辑,

Children who are taken care of by grandparents may be spoiled.

2. Young people who living with their parents can save a lot of money.

改正: Young people who live with their parents can save a lot of money.

Young people living with their parents can save a lot of money.

3. The money that spent on arts should be used be more important things.

The money that is spent on arts should be used be more important things.

The money spent on arts should be used fr more important things.

鼓励:——a.用分词,b分词比从句简单(比如不用担心连词,时态,只需要考虑主被动即可) 定语从句排在你选择的最后一位!!!

4. Children who from poor families should be supported by the government and the school.

Children who from poor families should be supported by the government and the school.

5. Different age people have different consuming habits.

改正: People of different ages have different consuming habits.

语法:精准度+多样性 ——不要在复杂性上花太多的功夫,
